

EARTH IN FOCUS

EARTH IN FOCUS FILM FEST aims to promote awareness about environmental issues to students, teachers, and friends through compelling films and storytelling. Our goal is to promote action by delivering precise techniques that can be applied into our daily lives to mitigate our effect on the environment and promote others to do the same.

TAMO CAMPOS IS A PROFESSIONAL SNOWBOARDER and noted environmentalist from British Columbia, Canada. He is the founder of Beyond Boarding, which unites snowboarders, surfers, artists and friends that strive to stand up against environmental and social injustices.

BRUNO MONTEFERRI IS AN ENVIRONMENTAL LAWYER FROM PERU. He holds a masters degree in Conservation Leadership and is the founder of the nonprofit Conservamos por Naturaleza which supports grassroots conservation initiatives and inspires urban dwellers to (re)connect with nature in Peru.
